

Partnership Agreement

Global Engagement Office
International Education Centre

The Mount Saint Vincent University Students' Union (MSVUSU) and the Global Engagement Office (GEO) of the International Education Centre at the Mount are entering a partnership for the purpose of collaboratively fostering the development of global curiosity both on campus and abroad. Both parties are committed to ensuring the success of all Mount students. Success is measured by the level of student engagement, inclusion of all members of the community, and a heightened global curiosity.

This Partnership Agreement is the natural consequence of conversations and discussed objectives of all stakeholders. The Charter is not a contractual document, but provides a framework for future collaboration by aligning efforts, resources and responsibilities to meet mutual objectives.

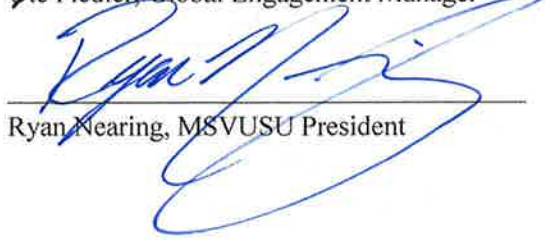

The Partnership is based on the values of:

- ✓ openness;
- ✓ trust and honesty;
- ✓ agreed shared goals and values; and
- ✓ regular communication between the partners.
