

MSVUSU Weekly News

Hello Mount Students! We have a few important updates for you on what the MSVUSU has been working on lately.

Advocacy Updates

Given that MSVU has exempted professors from course evaluations this semester, the MSVUSU wanted to provide an opportunity for students to give feedback on their experiences. This is NOT an official university Student Rating of Instruction; however, we will be reading all feedback and using it to move forward with advocacy efforts in the coming semester. Feel free to complete this form once for each course/lab that you have taken this semester. We appreciate your engagement – thank you for taking the time to give us your feedback!

Elections

Online voting will be taking place next Monday and Tuesday (December 14th and 15th) for our Fall Semester By-Election! A reminder that **we will be rerunning the health care referendum** due to technical difficulties, so keep an eye out next week for an email with voting information!

Food Bank

The Mount Student Food Bank is open this week and we still have timeslots available for Wednesday, December 9! Go to <https://mount-student-food-bank.appointlet.com> to book your time. And don't forget to like and follow our [Facebook page](#) for more updates!

We are seeking students to volunteer at the Food Bank in the Winter 2021 semester! If you are interested, email sucomm@msvu.ca for more information.

Committee Staffing

Council has amended our Student Representation Policy to allow students at large to fill seats on committees previously reserved for SRC. We are seeking students to sit on committees such as our General Manager Search Committee and our Constitution and Policy Planning Committee, and **all MSVU students are welcome to apply!** Our [Opportunities page](#) will be updated soon with descriptions of the committees we are looking to fill and application information!

Good Luck with Exams!

This has been a weird, stressful, and overall difficult semester for everyone. We hope that you're incredibly proud of yourself for getting this far and for everything you've accomplished this semester, no matter how small. We wish you all the best of luck with your exams and final projects!

If you have any questions, please reach out to sucomm@msvu.ca.
